Options (please indicate your choice)

Option #1

_____ Please cash my check and send a charitable gift acknowledgment. I understand and agree that the Ojiketa Preservation Society will work with Chisago City officials to find an alternate use for the funds, in keeping with green space preservation, if we are unable to create the Ojiketa Regional Park.

Option #2

_____ Please cash my check and if by December 31, 2008 we are successful in obtaining the Ojiketa property, a charitable gift acknowledgment will be sent to me. If we do not succeed, my donation will be returned to me.

The Ojiketa Preservation Society thanks you for your generosity
